This Performance Bond serves to protect the Government against potential financial damage and interference with SDDC's mission to effect delivery of shipments. By this Performance Bond, the Surety underwrites and assumes the Principal's liability to the Government for excess procurement costs when, due to the Principal's failure to complete the delivery of a shipment, and SDDC deems it necessary to procure transportation services from an alternate carrier. The Government shall be the sole beneficiary of this Bond in the event the Principal defaults and is unable to perform for whatever reason, including that of filing a petition in bankruptcy, or an involuntary bankruptcy. This bond will be continuous and may be canceled at any time by the Surety(ies) upon thirty (30) days written notice to SDDC sent by e-mail to SDDC.OPS.CarrReg@us.army.mil representing the Government. Termination under this provision shall not effect, or relieve the Surety(ies) of any obligation or liability that may have occurred prior to such termination.
